LITTLE TREASURES

INTERNATIONAL ART EXHIBITION

Galleria De Marchi
Bologna, Italy

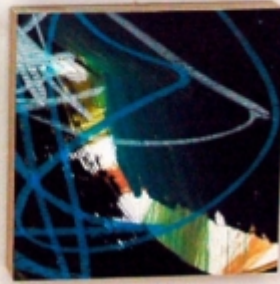

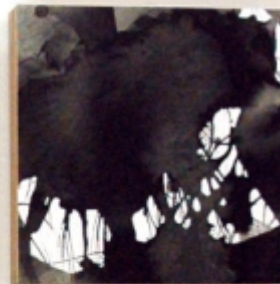

Dear Paola,
back in Holland I look back on a wonderful exposition and stay in Bologna.
I love the concept of Little Treasures.
80 artists from about 30 countries come together as equals, connect and become united with our artworks. Unity in variety.
I feel part of a community this way, that is great!
And thanks again for organizing this special exposition, I feel blessed to be a part of it.

Ellen Dekker, edition 2022

Dear Paola,
Thank you very much for this Award of Excellence and for “Little Treasures” exhibition. It is obvious that you chose diverse artists with interesting approaches, and I am impressed how carefully you curate the shows. Being part of this exhibit for the third year in a row makes me very happy. I love the concept of grouping small works and making it into an expressive unit.
Thank you very much for this most wonderful honor and acknowledgement. And congratulations on a successful opening reception and on another beautiful edition of Little Treasures.

Petra Bernstein, edition 2022 and previous editions

From the engaging introductory email inviting me to participate in “Little Treasures” exhibition, everything about my experience of working with Paola Trevisan has been delightful. I so appreciate how personally involved she is with the artists she represents. The energy and love that flowed through the exhibition and opening night, which can be seen in the YouTube video, are testimony to her hard work and dedication to art and bringing together international artists.

Jennifer Pazienza, edition 2019

Hello dear Paola!
